TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT (SPECIAL ITEM 132-8)

**1. MATERIALS AND WORKMANSHIP**

All equipment furnished hereunder must be new and satisfactorily perform the function for which it is intended.

**2. ORDER**

A written order, EDI (GSA Advantage! and FACNET), and credit card orders shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, Kyocera Mita America, Inc. will be obligated to meet the delivery and installation data specified in the original order.

Written orders, EDI orders, credit card orders or, in the case of BPA's or BOA's, telephone orders are permissible and must be backed up with a facsimile copy of the order.

**3. TRANSPORTATION OF EQUIPMENT**

FOB DESTINATION. -All prices shown in the Price List are based on F.O.B. destination to the 48 contiguous states and the District of Columbia.

Prices are F.O.B. destination to the port of embarkation within the 48 contiguous states and Washington DC when the ultimate destination is within Zone 2 (Alaska and Hawaii). For Shipment to Alaska and/or Hawaii, the Government can select one (1) of the two (2) following options, which must be clearly indicated on the purchase order:

- a) The item will be shipped to the port of embarkation within the 48 contiguous states and Washington, DC as indicated on the purchase order. The Government will then be responsible for shipping the product from the designated port of embarkation to the using agency.
- b) The item will be shipped to the using agency directly by Kyocera Electronics. Kyocera will prepay the freight and bill the using agency the exact shipping cost. The Government purchase order will indicate that freight is to be prepaid by Kyocera and billed to the Government..

**4. INSTALLATION AND TECHNICAL SERVICES**

a. INSTALLATION. Kyocera Mita America, Inc. will install the equipment and train Government personnel in the use of such equipment. Maintenance of Equipment shall be available to the Government; such services are listed in the price schedule section.

b. On-site network installation assistance can be obtained on an open market basis through a separate contract from the local dealer.

c. OPERATING AND MAINTENANCE MANUALS. Kyocera Mita America, Inc. shall furnish the Government with one (1) copy of all operating and maintenance manuals relating to the equipment being purchased.

**5. INSPECTION/ACCEPTANCE**

Kyocera Mita America, Inc. shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any equipment that has been tendered for acceptance. The Government may require repair or replacement of nonconforming equipment at no increase in contract price. The Government must exercise its post acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

**6. WARRANTY - See specific models for full details regarding warranties.**

- a. Unless specified otherwise in this contract, the Kyocera Mita America, Inc. standard commercial warranty as stated in our commercial pricelist will apply to this contract.
- b. The Kyocera Mita America, Inc. warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, Kyocera Mita America, Inc. will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.
- d. Inspection and repair of defective equipment under this warranty will be performed only at the Government's site.

**7. PURCHASE PRICE FOR ORDERED EQUIPMENT**

The purchase price that the Government will be charged will be the Government purchase price in effect at the time of order placement, or the Government purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

**8. RESPONSIBILITIES OF THE CONTRACTOR**

Kyocera Mita America, Inc. shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

**9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT**

When an agency determines that Information Technology equipment will be replaced, the agency shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

TERMS AND CONDITIONS APPLICABLE TO MAINTENANCE, REPAIR SERVICE AND REPAIR PARTS/SPARE PARTS FOR GOVERNMENT-OWNED GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT (AFTER EXPIRATION OF GUARANTEE/WARRANTY PROVISIONS AND/OR WHEN REQUIRED SERVICE IS NOT COVERED BY GUARANTEE/WARRANTY PROVISIONS) AND FOR LEASED EQUIPMENT (SPECIAL ITEM NUMBER 132-12)

**1. SERVICE AREAS**

- a. The maintenance and repair service rates listed herein are applicable to any Government location within a 49 mile radius of the Contractor's Authorized Dealers service points. If any additional charge is to apply because of the greater distance from the Contractor's service locations, the mileage rate or other distance factor shall be stated in paragraphs 7.d and 8.d of this Special Item Number 132-12.
- b. When repair services cannot be performed at the Government installation site, the repair services will be performed at one of Kyocera Mita America, Inc. plant(s) listed below:
 

Home Office	Washington, DC Branch
Kyocera Mita America, Inc.	Kyocera Mita America, Inc.
225 Sand Road	901 North Glebe Road, Suite 801
PO Box 40008	Arlington, VA 22203
Fairfield, NJ 07004-0008	Phone: (703) 469-2300
Phone: (973) 461-4297 or (973) 808-8444	Fax Line: (703) 248-0699
Fax Line: (973) 882-4411	

**2. MAINTENANCE ORDER**

- a. Agencies may use written orders, EDI orders, credit card orders, or BPAs, for ordering maintenance under this contract. Kyocera Mita America, Inc. shall confirm orders within fifteen (15) calendar days from the date of receipt, except that confirmation of orders shall be considered automatic for renewals for maintenance (Special Item Number 132-12). Automatic acceptance of order renewals for maintenance service shall apply for machines, which may have been discontinued from use for temporary periods of time not longer than 120 calendar days. If the order is not confirmed by Kyocera Mita America, Inc. as prescribed by this paragraph, the order shall be considered to be confirmed by the Contractor.
- b. Kyocera Mita America, Inc. shall honor orders for maintenance for the duration of the contract period or a lesser period of time, for the equipment shown in the pricelist. Maintenance service shall commence on a mutually agreed upon date, which will be written into the maintenance order. Maintenance orders shall not be made effective before the expiration of any applicable maintenance and parts guarantee/warranty period associated with the purchase of equipment. Orders for maintenance service shall not extend beyond the end of the contract period.
- c. Maintenance may be discontinued by the Government on thirty (30) calendar days written notice, or shorter notice when agreed to by Kyocera Mita America, Inc.; such notice to become effective thirty (30) calendar days from the date on the notification. However, the Government may extend the original discontinuance date upon written notice to Kyocera Mita America, Inc., provided that such notice is furnished at least ten (10) calendar days prior to the original discontinuance date.
- d. Annual Funding. When annually appropriated funds are cited on a maintenance order, the period of maintenance shall automatically expire on September 30th of the contract period, or at the end of the contract period, whichever occurs first. Renewal of a maintenance order citing the new appropriation shall be required, if maintenance is to continue during any remainder of the contract period.
- e. Cross-year Funding Within Contract Period. Where an ordering office's specific appropriation authority provides for funds in excess of a 12 month, fiscal year period, the ordering office may place an order under this schedule contract for a period up to the expiration of the contract period, notwithstanding the intervening fiscal years.
- f. Ordering offices should notify Kyocera Mita America, Inc. in writing thirty (30) calendar days prior to the expiration of maintenance service, if maintenance is to be terminated at that time. Orders for continued maintenance will be required if maintenance is to be continued during the subsequent period.

**3. REPAIR SERVICE AND REPAIR PARTS/SPARE PARTS ORDERS**

- a. Agencies may use written orders, EDI orders, credit card orders, blanket purchase agreements (BPAs), or small order procedures for ordering repair service and/or repair parts/spare parts under this contract. Orders for repair service shall not extend beyond the end of the contract period.
- b. When repair service is ordered, only one chargeable repairman shall be dispatched to perform repair service, unless the ordering office agrees, in advance, that additional repair personnel are required to effect repairs.

**4. LOSS OR DAMAGE**

When Kyocera Mita America, Inc. removes equipment to his establishment for repairs, Kyocera Mita America, Inc. shall be responsible for any damage or loss, from the time the equipment is removed from the Government installation, until the equipment is returned to such installation.

**5. SCOPE**

- a. Kyocera Mita America, Inc. shall provide maintenance for all equipment listed herein, as requested by the Government agency during the contract term. Repair service and repair parts/spare parts shall apply exclusively to the equipment types/models within the scope of this Information Technology Schedule.
- b. Equipment placed under maintenance service shall be in good operating condition.
  - (1) In order to determine that the equipment is in good operating condition, the equipment shall be subject to inspection by Kyocera Mita America, Inc., without charge to the Government.
  - (2) Costs of any repairs performed for the purpose of placing the equipment in good operating condition shall be borne by Kyocera Mita America, Inc., if the equipment was under Kyocera Mita America, Inc. guarantee/warranty or maintenance responsibility prior to the effective date of the maintenance order.
  - (3) If the equipment was not under Kyocera Mita America, Inc. responsibility, the costs necessary to place the equipment in proper operating condition are to be borne by the Government, in accordance with the provisions of Special Item Number 132-12 (or outside the scope of this contract).

**6. RESPONSIBILITIES OF THE GOVERNMENT**

- a. Government personnel shall not perform maintenance or attempt repairs to equipment while such equipment is under the purview of a maintenance order, unless agreed to by Kyocera Mita America, Inc..
- b. Subject to security regulations, the Government shall permit access to the equipment, which is to be maintained or repaired.

**7. RESPONSIBILITIES OF THE CONTRACTOR**

For equipment not covered by a maintenance contract or warranty, Kyocera Mita America, Inc. repair service personnel shall complete repairs as soon as possible after notification by the Government that service is required. Within the service areas, this repair service should normally be done within 4 hours after notification.

**8. MAINTENANCE RATE PROVISIONS**

- a. Regular Hours
 

Kyocera Mita America, Inc. shall bear all costs of maintenance including labor, parts, and such other expenses as are necessary to keep equipment in good operating condition, provided that the required repairs are not occasioned by fault or negligence of the Government.

The basic maintenance rates for each make and model of machine shall entitle the Government to remedial maintenance service during the period 8:00 a.m. to 5:00 p.m., Monday through Friday, exclusive of holidays observed at the Government location.

**After Hours Service For Which Customer Had Contractual Service**

- 1) "After Hours" is defined as time beyond the daily equipment contract coverage. After Hours Service is available in most areas as determined by Kyocera Mita America, Inc. local business practices
- 2) After Hours emergency unscheduled maintenance service or equipment covered by Full Service Maintenance will be invoiced at the then current Time and Materials labor rates, which may be increased or decreased without notice.
- 3) Parts are not billable on any after hours emergency or preventive maintenance calls for those customers who have contractual service. Preventive Maintenance performed after hours at the Customer's request will be billed at the then current Time and Materials rates, which may be increased or decreased without notice. Preventive Maintenance performed during the weekend for customers with contracted Weekend service Coverage is also available at the then current Time and Materials rates.

**b. Travel and Transportation**

- 1) If any charge is to apply over and above the regular maintenance rates because of distance between the Government location and Kyocera Mita America, Inc. service area, the basis of such a charge will be \$125 per hour travel time and the first 30 minutes of labor.
- 2) Such additional charge, if any, will apply to each remedial maintenance request, and it will be limited to one round trip for each service call.

**c. Quantity Discounts**

Quantity discounts from listed maintenance service rates for multiple equipment owned and/or leased by a Government agency are indicated below:

Quantity Range	Discounts
0 Units	0%

**9. REPAIR SERVICE RATE PROVISIONS**

- a. Charges. Charges for repair service will include the labor charge, computed at the rates set forth below, for the time during which repairmen are actually engaged in work, and, when applicable, the charge for travel or transportation.
- b. Multiple Machines. When repairs are ordered by a Government agency on two or more machines located in one or more buildings within walking distance of each other, the charges will be computed from the time the repairman commences work on the first machine, until the work is completed on the last machine. The time required to go from one machine to another, or from one building to another, will be considered actual work performance, and chargeable to the Government, provided the time consumed in going between machines (or buildings) is reasonable.
- c. TRAVEL OR TRANSPORTATION
  - 1) At The Contractor's Shop
    - i. When equipment is returned to Kyocera Mita America, Inc. shop for adjustments or repairs which are not covered by the guarantee/warranty provision, the cost of transportation, packing, etc., from the Government location to Kyocera Mita America, Inc. plant, and return to the Government location, shall be borne by the Government.
    - ii. The Government should not return defective equipment to Kyocera Mita America, Inc. for adjustments and repairs or replacement without his prior consultation and instruction.
