

Ricoh U.S. Major Accounts SAS Program Announcement NCPG Pricing Update

Effective date: 8/27/10

Bulletin: 10-16

Ricoh U.S. Major Accounts is pleased to announce that effective August 27, 2010, NCPG Dealer and End User Pricing has been reduced on all products sold to NCPG members through the SAS Program!

What is NCPG?

NCPG was organized in 1987 to help relieve churches of the administrative duties associated with purchasing. Today, NCPG is the nation's largest ministry group purchasing organization (GPO), working nation-wide with over 19,000 ministries.

Who is Eligible?

Any Church, Christian School or Ministry Organization can become a member of NCPG through their website—www.ncpg.net

What do I need to do with my current SAS registration in order to receive this reduced pricing?

Nothing! Starting August 27, 2010, Dealers will automatically receive the new Special SAS Pricing with no revenue commitment. Going forward, any new SAS registrations will need to select "SAS Special" as your target level requested.

If you have any questions regarding this bulletin or the SAS program please contact your Ricoh Major Account Sales Manager or Steve Nordheim, Government Account Manager for NCPG at 804.608.8300
